~~1896~~

Miss May - Jan 23<sup>rd</sup> <sup>1890</sup>  
Ch. S. - Brown -

Ch. in 'fish' - what is - pr  
to do not prawn or not -

'quiet bright' round?

Shallow - have given less or no  
prawn without prawn -

'plates' not exploded -  
food may be found by the  
very insidious turn -  
feats remembered in -  
dull very or 'o' of a book -  
nothing vital - no real interest

"these long ones -

Did not look sympathetic +  
kind - Ch. has nothing -

he can - they let me have to -  
this indeed had not been general

Both Ch. sat with numbered books -  
Ch. used to pay attention -  
was very distract - - this is it -

13pm Oct 7

A certain number want  
I consider in more & manners  
the Ch. did not care for -  
but with Y.

'Well' too constantly used -  
Ch. well behaved but uninterested  
lessm not well prepared for  
living -

Women very sympathetic &  
interesting -

P. Ch. all slow -

6 pr. off road produced by  
Whaley Smith. 1st lesson -  
you cut & no fine grain;  
movement of hands might have  
been made very interesting

'Well' - living more and  
described. P. referred to the subject  
by the time she got to the crossing  
in creek. More like they -

'Lord' - I suppose his name -  
My each carry a little bus in to go -  
that you know takes up in to the

clearing away. 1 am? 13p30n6507

Kim Koo. Jan 26. -

Ch. II. good introduction  
list of elements - regular  
not always harmonized.

Never points not well out.  
out - Case not properly  
to God - not much clinging  
to kind.

Showing very interesting (Ch. II.)  
B.D. writing rather quiet & good.  
Habits & pasts nicely described  
differences between them -  
a father, all the length -  
Something to make a war.

Ch. interested

to right

"Asia is a hot church -  
the world not summaries rather  
well - Illustrations & good

Sept 4th 1907

Can't make them remember that,  
why! said they,  
rather a witty kind went to  
Cleve with their papers.

"What's the place in Germany?  
What's the name about my work?  
What's the name about

human. class. 11 -  
wall -

Capacity - not well explained -  
will bring it out - why begin with  
fill, no - or th.

So orth - quiet -

Learned up to the whiteness  
of the ch. -

Ch. much interested in  
measuring - but results  
not quite dep. like  
my experiments - interesting  
enough but - not - clear.

Good exercise in handwriting

I counted 9 to in fact

table not clearly written with  
lines -

millions marked in billions

front pink - quite a long take

7: last hardly a little -  
wire - good not to handle  
at all! larger measure -

not bad -

1. good to have variety of metals  
to measure -

Don't just like that -  
more careful preparation - box  
containing basket of form -  
Lesson w/ how to apply  
of making ch. Many of interests  
in measures + realizing they  
might have prior existence  
as to how many fills in a box

etc -

Mr. Brewster is saying little  
they learned by actually doing  
a few

good exercises.

To note how many fills in a box

1. very tired & unity with the U.S.  
2. did not make the final exam  
exercises.

writing on B.P. good  
exercises not written enough  
memory of capacity well brought  
derivation of the existing  
lesson not given till taken -

13p40cm L507  
Eric Corder April 4. 95.

2nd summer lesson.

Started by asking children  
if they could make some  
ascertaining nothing at all  
whether the ch<sup>r</sup> knew what  
she meant - Said

"Can you - Can you -  
Can you - Children  
played - arranged w<sup>r</sup>  
very int-regt. to say  
did not make ch<sup>r</sup> find  
words with sense at all -  
Shocking writing on B.B.  
good to

"How rides us - does it?  
good -

then pleasant good  
You're clever & bright -  
When ch<sup>r</sup> can't make  
sentences they did it very well.

13p41cm L507  
made really good sentences  
grate allowed to say his his wife  
P. used notes.

Tell me some things abt me

What do you like -

P. missed opportunity nice  
eats chess -

What do you call that - they

Say it - whole sentence -

"more sentences than you"

Some papers that make good -

P. showed ch<sup>r</sup> in writing his  
questions to meet Greta -

Reversed it ch<sup>r</sup> for something  
from grate

Wrote down, laughs -

Ch<sup>r</sup> got really into the meaning  
of words & the changes -

Children laughs -

Opp. Lord Annie

Reps with ch<sup>r</sup> thought occupied

13p42mc507  
"Ents a nice long one -  
P. lost a great opportunity  
in correcting name of verbs!

P. allowed such sentences  
as we eat fish - Shd. have  
let ch<sup>r</sup> to say that sentence  
abt us not abt fish.

Deponent had - with that  
Mr. makes - A really good  
bright lesson - The children  
know what a sentence is -

13p43mc507  
Mrs. Bertram. Apr. 5 95'

Entered: a little pedantic  
What do you know abt the  
chin? Ch<sup>r</sup> did not know what  
wanted - Number of chin  
a little involved:

P. asked why - then the ch<sup>r</sup> gave  
answer. Shd have asked abt  
swelling vs. fish

Stretch - a new table of contents  
Form of mouth - of course  
natural & simple - impermeable  
not proven - wrong impression  
poison kills - not because of  
mucous membranes, rather

anything can soak through - that's why  
outer layer has no blood vessels  
Shd have -

Experiments may go at it  
proved that I have no nerves on  
not fully worked out

13 P 44 cm 507  
K. says D. at end speak heady.  
Y. latter delay by only naturally  
about microscope

Coloring matter - turned a punny.  
P. very plenty - to make heady  
an example -

innermost - layer - epidermis -  
have my if you an idea - pun -  
child said hol -

Illustration of plant food  
you - very nice illustrated but  
not well explained -

From puns in always -  
point of just v. f.  
Sensible - & insensible - shd have  
been explained -

Illust. of Utriculus v. f.

Sac - and - - body - shd have been only  
excreti - - Sebaceous -

Sent - gland v. f. - pear -  
v. f. v. very ferial - carried

13 P 45 cm 507  
the ch. with her - The last  
experiment - quite delay by  
cover of dirt - delay by all  
out - Sebaceous glands - out - v. f.  
glands & tubes - Did not let any  
of the all <sup>hairs</sup> get on the plants  
Food to when deeper in the  
D. have written all v. f.  
decay - die -

peanuts took a little company  
& not quite more.

nothing -

Food to rays from Diyan  
but there was written company  
BB - well used for the plants  
not well used for testing.
